

Bea's Ho-Made Products

Ltd.

Celebrating Over 60 YEARS!

FROM HUMBLE BEGINNINGS SELLING CHERRIES ON THE FAMILY PICNIC TABLE, TO OUR MODERN 40,000 SQ. FT. PROCESSING FACILITY, WAREHOUSE, AND RETAIL STORE, BEA'S HAS BEEN CREATING DELICIOUS JAMS, JELLIES, PICKLES, PIES, AND OTHER TASTY TREATS FOR 60 YEARS.

At a homestead owned by four generations of Landins since 1884, Bea's Ho-Made Products is located one half mile east of Gills Rock on Hwy. 42. The canning business started quite by accident. In 1961 the Landins' oldest daughter, Linda, started selling cherries from a picnic table by the roadside. The following year she included an over supply of beans and cucumbers from the garden. Motivated by her success she included her grandmother's famous chopped cherry jam. The jam sold very well inspiring her mother, Bea, to expand the selections to include strawberry jam, raspberry jam, and various pickled items. Each year something new was added and the business grew slowly. The Landins operated a farm by day and did their canning by night, selling the finished products on a picnic table by the roadside. In 1972 Bea started a wholesale business prompting her to build a kitchen and retail store.

Today Bea's has a modern facility which houses the kitchen, bakery, and retail store. The jams, jellies and pickles are made in the same manner as they were when the business started. No artificial colors are added. Bea's Ho-Made Products has grown to include over 100 varieties of jams, jellies, pickles and relishes plus homemade pies, and cookies.

The employees at Bea's feel it is rewarding to make something so many people enjoy. The aroma of fresh baked pies greets all customers when they enter the store. The kitchen door is always open so customers can watch as their products are being made.

A mail order business has been established. Orders are shipped anywhere in the United States. Gift boxes are available in all sizes.
